REPLY UNDER 37 C.F.R. §1.113(c) AND §1.116

Sir:

In reply to the Office action of April 07, 2004, it is respectfully requested that the following remarks be entered and considered for further prosecution of the above-identified application:

R E M A R K S

Claim 1 to 9 as set submitted on January 12, 2004 (date of the Certificate of Mailing), are currently pending in this case.

The Examiner has rejected Claims 1 to 4 under 35 U.S.C. §112, ¶2, contending that the reference to the first part of the remaining liquid phase as "a part TR" and the reference to the second part of the remaining liquid phase as "a part TA" renders the claimed subject matter indefinite.
